High Capacity Meets High Style

Compact® Coreless Toilet Paper System

STAINLESS STEEL DISPENSERS

The ultimate tissue dispensers for high traffic areas and Class A office buildings are available in high quality stainless steel.

PERFECT COMPANIONS

Combine Compact® stainless tissue dispensers with the stainless enMotion® towel and soap dispensers for high-end cohesive look.

HELPS REDUCE WASTE

Our coreless tissue products eliminate 95% of the packaging waste associated with GP's standard bath tissue.*

EASILY INSTALLED

Mounts on all washroom surfaces in minutes. Mounting holes for Compact Quad® and side-by-side dispensers are identical to current offerings making swap out easy.

MULTIPLE FORMATS

Compact® dispensers are available in two roll vertical, two roll side-by-side and a four roll dispenser format to accommodate the needs of any facility.

LIFETIME WARRANTY

We're so confident in our Compact® Coreless Toilet Paper dispensers, we guarantee them for life. Even units that are already on the wall.

Make Your Image More Sustainable

A growing number of eco-conscious companies are looking to GP PRO's Compact® dispensers and coreless tissue systems to **help reduce their environmental footprint and enhance the image of their facility.** This innovative line of dispensers can also **help increase productivity and reduce cost** by minimizing rolls changes and storage space.

HELPS REDUCE WASTE

Removing roll cores, cardboard shipping boxes and individual product wrapping helps eliminate as much as 7.8 lbs of waste when compared to using a case of GP standard roll bath tissue. Compact® tissue will also help cut your storage requirements by up to 50% by eliminating bulky cardboard packaging.

NEAR 100% UTILIZATION

Helps reduces and eliminate stub roll waste through dispensing solutions that require complete roll usage.

MEETS EPA GUIDELINES

Our coreless tissue meets EPA guidelines for post-consumer fiber content.
