

Pathways® Paper Hot Cups & Lids

A Patron Favorite from the Dixie® Bundle. And a Great Value for Your Operation.

Customers instantly notice the attractive botanical design of Dixie® Pathways® hot cups—but it's their reputation for performance and value that really stand out. These cups are engineered with a durable sidewall and soak-proof interior. They come in four convenient sizes, with a versatile selection of lids—most of which fit our popular 10, 12 and 16 oz cups. Your customers will love them, and you'll appreciate the modest price.
