enMotion® Impulse® 8" Automated Touchless Roll Towel Dispenser

Installation

- 1 Assemble the two mounting brackets (#54019 sold separately) by connecting the sides. For accessories or replacement components, please call: 1-866-HELLO GP (1-866-435-5647)
 - 2 With the arrows on the brackets pointing upwards, ensure that the top is level before securing assembled mounting bracket to wall with four (4) anchored screws using the keyhole slots indicated. NOTE: Recommended distance from bottom of bracket to the floor is 46"-51". Mounting should comply with ADA guidelines. Compliance is the responsibility of the installer.
 - 3 With the front cover open, press unit onto mounting bracket and down ensuring that all clips are engaged as indicated. Close Cover
- !** Numerous holes and slots have been molded into the back of the dispenser housing if direct-to-wall mounting is desired.

Operation

This automated towel dispenser utilizes an 8" wide towel roll available at GPPRO.com (89415, 89430, 89420, 89410, and 89440). A blue light will illuminate on the front of the dispenser lens when a towel is successfully dispensed. In the event of a jam three lights will flash behind the sensor lens. When batteries are low a red light will illuminate behind the battery icon on the sensor lens. The dispenser is equipped with settings that allow adjustment of sheet length, dispenser delay, sensor range, and choosing between auto supply and motion mode. Instructions on how to adjust these settings are present on the inside of the dispenser cover. The dispenser's cover hinges at the bottom and opens a full 180 degrees. For questions regarding this dispenser or for replacement parts, please call: 1-866-HELLOGP (1-866-435-5647). www.gppro.com
