

HAND HYGIENE MATTERS

GP PRO OFFERS A COMPLETE LINE OF HAND HYGIENE PRODUCTS TO HELP KEEP YOU HEALTHY!

ACCORDING TO THE CDC, PROPER HAND WASHING AND DRYING IS AN IMPORTANT MEANS OF REDUCING THE SPREAD OF INFECTION

HAND WASHING

WET your hands with clean, running water and apply soap. **LATHER** your hands by rubbing them together with the soap. Be sure to lather the backs of your hands, between your fingers and under your nails. **SCRUB** your hands for at least 20 seconds. **RINSE** your hands well under clean, running water. **DRY** your hands using a clean paper towel. Single-use paper towels have been proven above all other methods to effectively remove most unwanted germs and loose skin cells.

HAND SANITIZER

Sanitizing your hands is the next best thing when running water isn't available and hands are not visibly soiled. Alcohol-based hand sanitizers can quickly reduce the number of microbes on hands in some situations, but sanitizers do not eliminate all types of germs. To apply hand sanitizer properly:

- Apply the product to palm of one hand.
- Rub your hands together.
- Rub the product over all surfaces of your hands and fingers until your hands are dry.

INTRODUCING

GP PRO'S INNOVATIVE INDUSTRIAL SKIN CARE SYSTEM

HELP IMPROVE WORKER HEALTH, SAFETY AND PRODUCTIVITY WITH A HYGIENIC AUTOMATED TOUCHLESS GRIT SYSTEM.

New
Adjustable Portion Control Setting!

INDUSTRIAL HAND CLEANER

- Designed for medium to heavy duty soils such as lubricants, diesel, brake fluid, cement and other grease and grime
- Contains scrubbing agents for general industrial cleaning needs and particularly slippery soils
- Effective multi-purpose hand cleaners that are mild and gentle on skin
- Dermatologist tested for mildness and skin compatibility
- Petroleum Solvent Free
- Recyclable Cartridges*

HEAVY DUTY INDUSTRIAL HAND CLEANER

- Designed for tough industrial soils such as tar, paint, lacquer and other stubborn cleaning tasks
- Heavy duty citrus cleansing gel with citrus oil for cleaning power and fresh scent
- Contains powerful scrubbing agents for heavy duty cleaning needs in various applications
- Mild and gentle on skin without compromising extra strength cleaning power
- Dermatologist tested for mildness and skin compatibility
- Recyclable Cartridges*

INDUSTRIAL HAND CLEANER DISPENSERS

There are two dispensing options to choose from: an innovative automated touchless dispenser and manual dispenser. Our versatile dispensing system works with either hand cleaner product.

- Helps improve hygiene with enclosed dispensing versus open containers
- The automated dispenser has an adjustable portion control feature that allows you choose between a high or low dose setting
- Provides portion controlled dispensing to help minimize waste and control costs
- Designed for durability and reliable dispensing
- High capacity 3 liter refills are designed to minimize product run-out
- Sight window to check product level at a glance

GP SKU	DESCRIPTION	UNITS PER CASE	PKG PER CASE
54010	Automated Touchless Industrial Hand Cleaner Dispenser	1	1
54011	Manual Industrial Hand Cleaner Dispenser	1	1

*Product may be recycled if you have access to a recycler that accepts paper or plastic products.
