

# Reliability the rest can't touch.

enMotion® towel systems are good for business.  
**Here's why:**

Georgia-Pacific

## Extended Battery Life

ECON Mode extends the battery life of enMotion® paper towel dispensers from four years to five years, effectively enabling throughput of 110 rolls.<sup>1</sup>

**99.99%  
jam-free**

## Jam-Free Dispensing

With half of all tenant complaints being restroom related<sup>2</sup>, you can help boost customer satisfaction with the 99.99% jam-free<sup>3</sup> enMotion® towel systems.

On average, leading competitors' towel systems jam twice as often as enMotion® systems.<sup>4</sup>

enMotion®

**97%  
satisfaction**  
(average since 2007)

## 97% Customer Satisfaction<sup>4</sup> (average since 2007)

Thanks to their high performance and image-enhancing design, enMotion® dispensers have earned a superior rating among customers.
